“Jesus Answered Them”

The religious leaders surrounded Jesus (John 10:24) and now held rocks to stone Him to death (John 10:31). Jesus didn't panic and didn't run; He stopped them with the power of His word. He answered them as an educated rabbi would speak to other educated rabbis.

Today I will provide three questions and you are to answer each question without looking in the bible for how to answer each question. First answer each question with what's already in your heart. If you don't have an answer then you should search the scriptures for the answer and pray that the Holy Spirit will help you.

- 1) Are you born again, are you saved?
- 2) How did you get saved and what proof do you have that you are born again?
- 3) Explain to me how Jesus could die and come back to life?
